

Lot # 5 is perfect for a larger home or perhaps a main house and a guest casita to welcome your loved ones. While on sight- every direction you look you'll witness the contrast of natural colours: every shade of green offered by the jungle, mango trees, and the mountains juxtapose the playfulness of the ocean and sky blues that will change their orchestra of palettes throughout the day and seasons. Your home will complement this gift of nature where you can also enjoy the peaceful dark nights full of nature's sounds and the starry sky above.
