

This property is located in a beautiful gated complex that offers direct beach access. The home features two stories and a rooftop terrace with a pool, stunning views of the ocean and surrounding mountains. On the ground floor, the property includes a lock-off bedroom that can be fully integrated into the home or kept separate when needed—ideal for guests or rental flexibility. The house is equipped with a water filtration system, including reverse osmosis, as well as a camera security system. It also boasts beautiful finishes throughout. The community
