

Beautiful compound/home close in on the Eastside of Bucerias. This home was the gathering place for a large Mexican family for many years. The matriarch now lives with family in the U.S. and has decided to sell. The house has multiple everything including 7 BIG bedrooms, 4 BIG bathrooms, multiple terraces off upstairs rooms and extensive grounds. Everything is included in the sale. The double lots is also very large and another adjoining property offers extensive land for development. That listing number of that property is forthcoming. 3 blocks to the 2
