Casa Calabaza is a North End gem, originally built over 20 years ago, and has been steadily growing over the past few years. The property consists of 4 one bedroom apartments, 2 of them with clear ocean views over the Pacific. On a quiet dead end street, it is less than a 2 minute walk to the beach, Casa Calabaza offers easy walking access to town and beach without any steep hills to climb. The lot itself is a massive 1740 sq meters which is unheard of these days, much of it is untouched beautiful jungle, with a small summertime arroyo passing through
