

This charming three-level home blends authentic Mexican style with spectacular views. The first level features the kitchen, living, and dining areas, plus a half bath. The second level has a bedroom with an ensuite, while the third level houses the master bedroom with its own ensuite and ocean and city views. The rooftop terrace offers panoramic mountain, city, and ocean views, plus a laundry area, with expansion potential. Conveniently accessible from the highway, it's minutes from the Malecón, downtown, Versalles, Costco, La Comer, and Zona Romántica
