

CASA DEL SOL Y Casa de la Luna consists of two fully detached waterfront facing homes – Main House and Guest House - both turn key properties separated by a free-form swimming pool located on over an acre of private property spanning 150 meters of developed waterfrontage. Facing the protected Bay of the Boca de Tomatlan River and views of the ever-changing waterscape with rising green cliffs of the opposite side of the Bay, this very private estate-sized residence offers amazing views every day of the year
