

Stunning custom-built home perfectly positioned between the Romantic Zone and Gringo Gulch. This spacious 4-bedroom, 3.5-bath residence is thoughtfully designed to capture abundant natural light while maintaining exceptional privacy, all framed by beautiful mountain views throughout. The entry level includes the garage, three bedrooms, and two full bathrooms, opening onto a generous garden terrace with a tranquil water feature. A separate office or workshop with its own private entrance offers flexibility and convenience for work or creative projects. On
