

MLS Vallarta Nayarit Compostela

Jungle Sanctuary with Development Potential Near Punta Monterrey. This is where rustic soul meets Riviera glamour. Casa Mangala is a 9,920 m² jungle-wrapped sanctuary offering privacy, elevation, and opportunity — a rare canvas for creating something extraordinary just north of San Pancho and south of Lo de Marcos. The land, lush, rolling and framed by ocean breezes — sings of what could be. The property invites a wide range of visionary uses. Prime location flanked by luxury enclaves like One&Only Mandarin, Four Seasons Punta Mita, and Imanta
