

Casa Mangala

For Sale: \$833,333.00 USD

San Pancho

Jungle Sanctuary with Development Potential Near Punta Monterrey. This is where rustic soul meets Riviera glamour. Casa Mangala is a 9,920 m² jungle-wrapped sanctuary offering privacy, elevation, and opportunity — a rare canvas for creating something extraordinary just north of San Pancho and south of Lo de Marcos. The land, lush, rolling and framed by ocean breezes — sings of what could be. The property invites a wide range of visionary uses. Prime location flanked by luxury enclaves like One&Only Mandarina, Four Seasons Punta Mita, and Imanta
