

Casa Palxocotl newly built in 2022 has all the top quality construction built underneath, above and within. The tall private walls make this a very private vacation enclave with lots of living space and recreation activities combined inside it's walls. This is one of the features that cannot be replicated in the majority of properties listed at this moment for this price. This home features a full size private pickleball court, a large swimming pool with a 42 inch waterfall and 10cm water mirror perfect for tanning or reading on your lounge chairs. Ki
