

Casa Patio, designed by the renowned Herchell Architects and winner of the American Property Awards in Architecture, is located in the enchanting magical town of San Sebastián del Oeste, Mexico. This H-shaped house draws inspiration from the old haciendas of the 17th to 19th centuries, influenced by Spanish architecture and adapted to the 21st century. Featuring central patios, interior hallways, steel columns, exposed beams, large windows, and ironwork doors in the bedrooms overlooking the central patios, the house embodies a hacienda-style design th
