

This house is very private and was built by its owners for their exclusive and personal use with the help of a young architect. The house occupies only 15% of the total land space, so it has a large garden, which is appropriate to build a pool or extend the house to your needs. Located in a central area, but very quiet and full of vegetation. The lot is planted with beautiful Teka trees. It is the ideal place to live or extend the needs of a family and make it the ideal home.
