

In a gated area with only 4 houses on it. This lot is very private and has a small house that was built by its owners for their exclusive and personal use with the help of a young architect. The house occupies only 15% of the total land space, so it has a large garden, which is appropriate to build condos, garden and a pool or extend the house to your needs. Located in a central area, but very quiet and full of vegetation. The lot is planted with beautiful Teka trees. It is the ideal place to build condos or live and extend the house to full fill the nee
