

Innovative and adaptable are two words that best describe the cleverly-designed Pier 57 condominiums. The unique concept of Pier 57 allows for each 2 bedroom 2 bath home the ability to convert to an oversized one bedroom with larger living areas or spacious open studio loft-style apartment all in about 1,100 sq. feet of living space. With at least a half dozen different floorplans to select from, the arrangement and layout options are plentiful and can suit your own specific needs and desires.
