

Stunning house with 3 bedrooms and 3.5 bathrooms, located in the Marina of Puerto Vallarta. This is one of the few properties with its own private 40-foot dock, perfect for keeping your dream boat just steps from your home. Recently remodeled, the property is in perfect working condition. The 3-story layout features two bedrooms on the second floor and the master bedroom on the third floor. With 24-hour security and access to two communal pools, this property offers exceptional value.
