

Located in the heart of Sayulita, Sak Najo Lofts is a property that blends the essence of Mexico-Mediterranean architecture with the spirit of contemporary design. Its name, meaning "white house" in the Mayan language, reflects the purity and elegance of its construction. Every detail has been carefully crafted and finished with chukum, a natural finish that adds freshness and sophistication. The building features 4 fully equipped and independent studios, providing the privacy and comfort each guest needs. Residents can also enjoy a rooftop with stunning
