

Presenting Villa Bali 5, the private home of the importers, designers and developers of the Villa Bali project. Villa Bali is a gated six homesite community located ten minutes from Sayulita very near to Patzcuarito beach. These 100+ year old solid teak homes were imported from Bali, Indonesia and painstakingly rebuilt with red brick additions and architectural items from around the world. The main villa offers 2 bedrooms and 2 bathrooms and a fully equipped kitchen, while the casita has an additional bedroom and bath. When you sit on the covered 1000 sq
